INTRODUCTION

MATT & MILLY is situated in Montana, Pretoria, and manufactures a unique range of leather bags, interior apparel, leisure apparel, home, and travel accessories. This woman-owned company is managed by Lesley-Anne van Eeden, the loving mother of three beautiful children, the inspiration behind the brand. Our story began in 2019 with little knowledge of leathercraft but a passion to create authentic leather products that are affordable and unique in style. The journey thus far has been incredible. We pride ourselves in supporting local businesses all over South Africa to develop and deliver high-quality, luxurious products to our very loyal clients. We encourage local community members to strive for success and follow their dreams. Thank you for every purchase, like, and share. Without you, we cannot grow.

ABOUT US

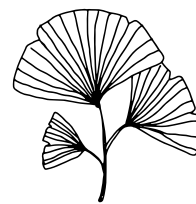

OUR GOALS

We strive to provide our customers with outstanding quality genuine leather custom products that is carefully curated to compliment your lifestyle.

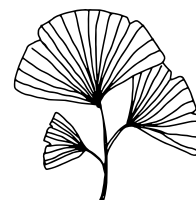

Our Goals

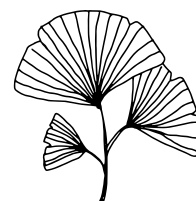

Our workshops are hosted with the following in mind:

Explore your inner artisan and invest in some "me time".

Suitable for individuals, groups, corporate events, social gatherings. Everyone is welcome.

Educate others about the craft of leather and create a fun and creative space.

WORKSHOP OVERVIEW

Our brand originally started off with a range of exclusive leather products such as handbags, weekendbags, babybags and corporate gifting. We still pride ourselves in our extraordinary range of leather apparel, we have just decided to branch out and inspire more people to love leather. We have always specialized in custom products according to customers taste, we have taken this opportunity to grow and expand.

Our create your own leather product workshop will surely not disappoint and will exceed all your expectations.

We believe leather is timeless, elegant and made to last a lifetime. Just like fine wine, leather only gets better over time. Allow us to elevate your love for leather and have fun while being creative

Workshop Overview

WHY HANDMADE? ””

By crafting your own handbag, apron, wine bag or whichever product, you create something that you are proud of, you put love and a bit of your own personality into something that you can use everyday. There is no better crafting than handcrafted.

Why Handmade

PRODUCT

We offer a 4 hour, no experience needed, interactive workshop where you get to meet new people and craft your own leather product. The product can be chosen in advance from our range available for the workshop day. You will be guided step by step on how to craft your product. All items are hand cut and carefully sewn together to create the perfect piece. There is also refreshments, lively music and loads of laughter.
